

The Grow Food Truck is a 100% plant based food truck fostering social equity through food, food security, community connection, animal compassion, food for health and environmental sustainability.

All of Grow's flavorful food is 100% plant based which means it's also dairy-free and cruelty-free. Everything is gluten, soy and peanut-free. The majority of ingredients are organic and made from scratch.

### ***Menu Options***

#### **Gourmet Mac and Cheese \$13**
